

FasTraxPOS

"The Best Employee You'll Ever Have"

See you at IPCPR!

point of sale v2.0

Our new POS is packed with performance enhancements, new features and a cleaner interface

Building upon an already great POS, we have vastly improved the performance and interface while simplifying the experience. Clean and intuitive, v2.0 will offer you and your employees superior productivity.

2013 is going to be an exciting year with FasTrax! Be sure to visit us at [IPCPR](#), in [booths 3622, 3623 & 3624](#) to see our newest POS development.

For those interested in participating in a prerelease evaluation, either speak with us at the show or [contact us](#)

warehouse

entire warehouse lifecycle

Our simplistic, yet feature rich Warehouse solution pairs seamlessly with our retail offering and is also available as a standalone application. It features: Price Lists, Inventory Controls, MSA Reporting, Wireless Handheld Picking/Verification, Full EDI support, Location Based Pricing and a Cash-n-Carry Interface.

We have applied our years of experience and expertise to our Warehouse module where we continue to be the industry leader.
